

Projekt: Instalacja elektryczna
Wykonanie: 2023

Diagram of a lighting control system for a staircase. The top part shows a control circuit with a 230V AC source, a 16A circuit breaker, and two relays (1 - staircase light, 2 - staircase handrail light). The bottom part shows the power distribution circuit with a PEN line, a 16A circuit breaker, and two relays (1 - staircase light, 2 - staircase handrail light). The diagram is labeled 'Projekt: Instalacja elektryczna' and 'Wykonanie: 2023'.
